Land a Plots in Javea / Xabia

€400,000

0	0	1m²	2,011m²	N/A

Discover a unique investment opportunity in one of JÃ¡vea's most desirable residential areas. This offering consists of two adjoining urban plots that are being sold exclusively as one package, creating a combined landholding of approximately 2,000 m². Located in the peaceful area of Pla de Suelos Nuevos, these plots provide the ideal setting to build a substantial luxury villa or create an exceptional private estate surrounded by nature and Mediterranean vegetation. The combined size offers significantly more privacy, flexibility, and development potential than a standard building plot in JÃ¡vea. Situated within easy reach of beaches, restaurants, international schools, golf courses, and all essential amenities, this is a rare opportunity to ... (Ask for More Details!)
