120m²

585m²

Tucked away in a tranquil street in Buenavista on the sought-after Benissa coast, this beautifully renovated, single-level villa effortlessly combines quiet coastal living with everyday convenience—just a short stroll from the beach, local dining, and amenities. The Main Living Spaces Arriving at street level, the property offers a private garage alongside off-road parking for two vehicles. Step up to the entrance and into a bright, contemporary kitchen equipped with a double oven, gas hob, American-style fridge/freezer, and a classic ceramic sink. An open archway transitions seamlessly into a spacious living and dining room centred around a feature fireplace with a wood-burner. Incorporating what was previously (Ask for More Details!)
