Step into the Villa Formentera, a beautifully balanced modern design nestled within the tranquil Monte Solana development in Pedreguer. Set on an average 800 m² plot, this 140 m² villa boasts 3 bright bedrooms, 2 chic bathrooms, and a seamless connection between interior and exterior living. Enjoy a private swimming pool surrounded by a connecting terrace perfect for alfresco dining, lounging, or star-lit gatherings. With pre-installation for A/C heat pumps, comfort is effortless year-round. Why it stands out: Contemporary open-plan layout with a Mediterranean flair Built by Construcciones Z Sanchez, offering complete services from design and construction to financing, planning assistance, rental and management support backed by a ten-year structural guarantee
